Position Description

The Library Technician for ??? is a ??? time staff position working ??? hours per week. The duties are varied where some are daily and others less frequent. Responsibilities fall within the broad categories of *Administration*, *Collection Maintenance*, *Library and Equipment Maintenance*, and *Client Services*

Administrative responsibilities may include: recording and submitting monthly system-wide statistics for LibraryCo Inc.; with financial information, record keeping and reporting of law library expenditures; distribution of Association notices to its members and assisting in the coordination of educational and social functions of the Association.

Collection Maintenance involves all technical processes relating to the collections. This includes: collecting/reviewing and sharing with the Library Committee promotional literature for possible acquisition; ordering and maintaining appropriate order records; liaising with the legal publishers; receipt of all mail; recording and filing of all library materials (including looseleaf releases, law reports, textbooks, CD Roms etc); noting and claiming missing and/or damaged materials; reporting new titles to The Great Library for cataloguing and processing materials when the products are return after being catalogued; maintaining circulation records; and loading CD Roms when necessary.

Library and equipment maintenance involves the day-to-day upkeep of the library proper. This may include: answering the phone; opening mail; keeping the law library tidy and re-shelving materials as required; maintaining the smooth functioning of photocopier, printer and facsimile machine (i.e. clearing paper jams, making sure there is adequate toner and paper etc); and ordering necessary office/business supplies.

Client Services involves supporting lawyers in their use of the materials in the library proper as well as those electronic resources offered through LibraryCo. This may include assisting counsel to retrieve required information in various formats (i.e. paper or electronic sources) from the resources available in the law library or from another County or District Law Library via document delivery.
