Toolkit of Legal Resources

Please remember that you may access the Toolkit in all 48 county and district law libraries. Desktop delivery is available to lawyers who practice in the 28 local associations as well as Algoma, Kenora and Thunder Bay.

Lawyers who practice in one of the associations that are included in the Desktop Delivery Initiative should request a password by e-mailing libcosupport@lsuc.on.ca and include their name, date of birth, Law Society of Upper Canada member number and e-mail address. Christopher Stephenson, Library Systems Administrator at the Great Library, will create new accounts and e-mail the password information directly to the lawyer, often the same day.

Lawyers with passwords should go to www.libraryco.ca and click on the Toolkit icon. They will be taken to the Toolkit page where they will click on the icon and be prompted to enter their user name and password. At this point they will be at the search page and ready to begin their research.

Both the Toolkit of Legal Resources and the Desktop Delivery Initiative are provided to all lawyers in Ontario without charge. Please do not hesitate to contact LibraryCo for further information.

Toolkit of Legal Resources Presentation Slide Deck

Last month I made a presentation to the CDLPA Plenary about the Toolkit and the Desktop Delivery Initiative, highlighting the new content in 2014 and usage statistics. You may access the slide deck here:

Associations are welcome to use this content to promote and market the Toolkit.

Roving Law Librarian - A Report from Marilyn Elkin

This month, I visited the Lincoln Law Association library in St. Catharines. It has been several years since I last visited and I was interested in what might have changed in the intervening time. This is a busy library that is experiencing a particularly busy year. Jury trials have been ongoing throughout the year and this has had an impact on the library. I hope to return during the winter months to work with Kelly and Derek.

I am looking ahead to the winter and spring and am pencilling in visits to libraries. I would be happy to assist you with any projects or work that you may have. Please email me at melkin@lsuc.on.ca.

Wishing everyone a healthy and happy 2014.
