

LIBRARYCO INC. ANNUAL REPORT 2010

MESSAGE FROM THE CHAIR

2010 WAS A YEAR OF REFLECTION ON the structural and policy changes achieved to date while laying the groundwork for changes to come as LibraryCo Inc., with shareholder input, prepares for new challenges in supporting and building a cohesive and efficient county and district law library system.

2010 BUDGET

As in years past, the 2010 budget was a consultative effort between LibraryCo Inc. and the associations. LibraryCo Inc. invited associations to provide submissions which formed the foundation for the budget. LibraryCo Inc. thanks the associations for the effort put into these submissions. With the changes to the salary bands and the potential for additional costs related to the upgrading of the core collections, LibraryCo Inc. set up a contingency to meet the fulfillment of these changes.

The Board is thankful for the ongoing support of the Law Foundation of Ontario to the county and district law library system and particularly for their support of the Toolkit of Legal Resources.

ELECTRONIC RESOURCES

This was the first year of a two-year contract with LexisNexis Canada Inc. This contract saw the expansion of desktop access to include Algoma, Kenora and Thunder Bay. It also introduced

new content to the Toolkit of Legal Resources, including Halsbury's Laws of Canada, All Canada Quantums and Canadian Solicitors Forms and Precedents. Notwithstanding these additions to the Toolkit's secondary content, by far the greatest usage of the Toolkit involves access to primary case law.

LibraryCo Inc. continues to monitor Toolkit usage statistics closely to ensure the decisions taken meet the needs of users. In this regard, LibraryCo Inc. welcomes input from shareholders, particularly as it contemplates the shape and content of the Toolkit in upcoming years.

COMPENSATION SURVEY

LibraryCo Inc. adopted the recommendations of its consultant about the changes to the salary bands. These recommendations were the outcome of a review of the salary bands conducted in 2009 which were shared with the County and District Law Presidents' Association (CDLPA) and the Toronto Lawyers' Association (TLA). The new bands are effective January 1, 2011.

In addition, LibraryCo Inc. shared the consultant's follow-up report on job classifications and job descriptions with CDLPA and TLA. LibraryCo Inc. looks forward to continuing its work with these shareholders to ensure the job classifications and job descriptions meet the system's current and future needs.

BUSINESS PLAN

This was the mid year in LibraryCo Inc.'s three-year plan. An important focus of the plan is the improvement of communication between LibraryCo Inc. and the associations. To that end, LibraryCo Inc. has prepared and posted business case templates and a LibraryCo Inc. Handbook on its website in an effort to facilitate that communication.

LibraryCo Inc. is looking forward to the development of its priorities and strategies for the future. As it has been to date, that exercise will in part be focused on the Board's commitment to long-term issues and priorities such as:

- a) the consistent allocation of resources among associations of similar size and demand;
- b) maintaining effective communication between LibraryCo Inc., CDLPA, TLA, the Ontario Courthouse Librarians' Association and the Law Society of Upper Canada;
- c) exploring alternate ways of providing electronic and print resources;
- d) promoting the use of CanLII as a valuable legal information source within the Toolkit of Legal Resources available for all lawyers;
- e) maintaining and developing the core collections and standards; and
- f) supporting continuing education for library staff

ACKNOWLEDGMENTS

LibraryCo Inc. thanks Martha Foote, Board General Manager, for her support of the Board of Directors and her diligence and commitment to the development and strength of the county

and district law library system. In addition, the Board thanks Raluca Serban, assistant to the Board General Manager, for her hard work and enthusiasm.

The Board remains thankful for the ongoing support and hard work of Law Society of Upper Canada personnel, including Wendy Tysall, Chief Financial Officer for LibraryCo Inc., Gary Cheong, David Whelan, Diana Miles and others, whose work greatly assists the operations of LibraryCo Inc.

In 2010, the composition of the Board of Directors changed significantly. David Thompson stepped down as Chair in May and left the Board at the end of the year. David's knowledge of and passion for the county and district law library system will be missed. His level of commitment and voluntarism is acknowledged and is an example to members of the Bar. David Thompson is replaced by CDLPA representative Frances Wood. LibraryCo Inc. welcomes Frances Wood.

Paul Henderson, a committed and hardworking Board member appointed by the Law Society of Upper Canada, stepped down when he was appointed to the Bench. He will be missed. Paul Henderson's replacement is Alan Silverstein, a Thornhill bencher. The Board welcomes Alan Silverstein.

Carol Hartman, who brought energy and dedication to the Board, also stepped down. Her replacement is Susan McGrath, a bencher from northern Ontario, who rejoins the Board. The Board is pleased that Susan McGrath has done so.

MANAGEMENT DISCUSSION AND ANALYSIS
DECEMBER 31, 2010

RESULTS OF OPERATIONS

Results for the 2010 year identify a deficit of \$93,000 compared to a surplus of \$649,000 in 2009. This budgeted deficit was financed by surpluses accumulated in the general fund. The deficit was lower than anticipated due to an unused contingency expense and lower than expected expenditures in head office expenses and other law libraries' expenses.

Total expenses increased from \$7.5 million to \$7.8 million, with grants to county libraries increasing by nearly 3%, and expenditures on electronic products increasing by 19%. The Law Foundation of Ontario grant revenue matched the expenditures on electronic products and the Law Society grant revenue decreased by 7%.

BALANCE SHEET

CASH AND SHORT-TERM INVESTMENTS

At \$1.6 million, cash and near cash balances are 5% lower than 2009 primarily because of the operating deficit during the year.

GENERAL FUND

The General Fund ended the year with a balance of \$726,000 (2009 — \$819,000) after the deficit for the year.

RESERVE FUND

The Reserve Fund at \$885,000 is unchanged from 2009. In accordance with Board policy, the Reserve fund is to be maintained at a minimum of \$500,000, comprising a general component of \$200,000, a capital and special needs component of \$150,000, and a staffing and severance component of \$150,000. Any expenses of this Fund that would reduce the Fund Balance below \$500,000 should be replenished in the following year.

STATEMENT OF REVENUES AND EXPENSES

REVENUES

LAW SOCIETY OF UPPER CANADA GRANT

This is the lawyer-based fee totaling \$6.9 million in 2010 (2009 — \$7.4 million) that is transferred to LibraryCo from the Law Society. The 2010 County Library Levy collected by the Law Society was \$203 per lawyer (2009 — \$220).

LAW FOUNDATION OF ONTARIO (“LFO”) GRANT

The 2010 LFO grant of \$820,000 was \$130,000 more than 2009, in line with the related expenses, because of a change in the Toolkit of Legal Resources.

EXPENSES

SALARIES & ADMINISTRATION

These expenses increased from \$593,000 in 2009 to \$630,000 in 2010 primarily as a result of a new part-time position added in mid 2009.

OTHER EXPENSES –

HEAD OFFICE / ADMINISTRATION

Other expenses totaling \$35,000 (2009 — \$47,000) include printing and stationery, publications, 1-800 lines, insurance, and board expenses.

ELECTRONIC PRODUCTS AND SERVICES

Electronic products and services expenditures at \$820,000 for the year are \$130,000 higher than 2009 because the Toolkit of Legal Resources was modified.

GROUP BENEFITS

Group benefits of \$304,000 (2009 — \$277,000) are \$27,000 higher than 2009 due to premium increases.

OTHER EXPENSES –

COUNTY AND DISTRICT LAW LIBRARIES

Other library related expenses of \$147,000 (2009 — \$142,000) include staff and travel, the Conference for Ontario Law Associations’ Libraries (COLAL) and County and District Law Presidents’ Association (CDLPA) Library Committee meetings, computer upgrading, and bulk purchase publications for the library system.

COUNTY AND DISTRICT LAW LIBRARIES – GRANTS

The remittances by LibraryCo to the county libraries totaled \$5.9 million in 2010 (2009 — \$5.7 million) reflecting an increase of nearly 3% in the 2010 grant amounts.

Independent Auditor's Report

To the Shareholders of LibraryCo Inc.

We have audited the accompanying financial statements of LibraryCo Inc., which comprise the balance sheet as at December 31, 2010, and the statements of revenues and expenses, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of LibraryCo Inc. as at December 31, 2010, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

LIBRARYCo INC.

NOTES TO FINANCIAL STATEMENTS

For the year ended December 31, 2010

1. GENERAL

LibraryCo Inc. (“the Organization”) was established to develop policies, procedures, guidelines and standards for the delivery of county law library services and legal information across Ontario and to administer funding from the Law Society of Upper Canada (“the Society”).

The Organization has two classes of shares: Common shares and Special shares. The Society holds all of the 100 Common shares outstanding. Of the 100 Special shares outstanding, 25 are held by the Toronto Lawyers Association (“TLA”) and 75 are held by the County and District Law Presidents’ Association (“CDLPA”). The Society may appoint up to four directors, CDLPA may appoint up to three directors and TLA may appoint one director.

The Organization is a not-for-profit corporation as described in section 149(1)(1) of the Income Tax Act, and therefore is not subject to federal or provincial income taxes.

Under an Administrative Services Agreement, the Society provides most of the administrative functions of the Organization.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements have been prepared in accordance with the accounting standards for non-profit organizations published by the Canadian Institute of Chartered Accountants (“CICA”), using the restricted fund method of reporting contributions.

In December 2010, the CICA issued a new accounting framework applicable to not-for-profit organizations. Effective for fiscal years beginning on or after January 1, 2012, not-for-profit organizations will have to choose between Canadian accounting standards for not-for-profit organizations (Part III of the CICA Handbook) and International Financial Reporting Standards (Part I of the CICA Handbook). Early adoption is permitted.

LibraryCo will adopt Part III of the CICA Handbook, commencing in 2012, and has determined that the impact on its 2012 and 2011 financial statements of adopting these standards will not be significant.

General and reserve funds

The General Fund accounts for the delivery, management and administration of library services. The Reserve Fund is maintained to assist the Organization’s cash flows and act as a contingency fund. In accordance with a Board resolution, the fund will be maintained at a minimum of \$500,000, comprising a general component of \$200,000, a capital and special needs component of \$150,000, and a staffing and severance component of \$150,000; any expenses of this fund that would reduce the fund balance below \$500,000 should be replenished in the following year.

Cash and short-term investments

Cash and short-term investments are amounts on deposit and invested in short-term (less than one year) investment vehicles according to the Organization’s investment policy.

Revenue recognition

Grants are recorded as revenue in the general fund in the fiscal year in which they are received.

Investment income is recognized when receivable if the amount can be reasonably estimated.

Grants paid

Grants are recognized in the year in which they are paid.

3. FINANCIAL INSTRUMENTS

Under the standards for recognizing and measuring financial instruments, all financial assets are classified into one of the following four categories: held for trading, held to maturity, loans and receivables or available for sale. All financial liabilities are classified into one of the following two categories: held for trading or other financial liabilities.

The Organization's financial assets and financial liabilities are classified and measured as follows:

Asset / Liability	Category	Measurement
Cash and short-term investments	Held for trading	Fair value
Accounts receivable	Loans and receivables	Amortized cost
Accounts payable and accrued liabilities	Other financial liabilities	Amortized cost

The other amounts noted on the Balance Sheet are not financial instruments.

The Organization has not entered into any derivative transactions. In addition, the Organization's contractual arrangements do not have any embedded features.

4. SHARE CAPITAL

Authorized

Unlimited number of Common shares

Unlimited number of Special shares

Issued	2010	2009
100 Common shares	\$100	\$100
100 Special shares	100	100
	\$200	\$200

5. RELATED PARTY TRANSACTIONS

The Society provides administrative services to the Organization (Note 1) as well as certain other services and publications. The total amount billed by the Society for 2010 was \$705,942 (2009 — \$670,109). Included in accounts payable are amounts due to the Society of \$66,003 (2009 — \$60,888).

6. OTHER EXPENSES – HEAD OFFICE/ ADMINISTRATION

Included in these expenses are costs associated with administration by the Society, directors and officers insurance, Board of Directors' meetings and other miscellaneous items.

7. OTHER EXPENSES – COUNTY AND DISTRICT LAW LIBRARIES – CENTRALIZED PURCHASES

Included in these expenses are costs associated with staffing and travel, document delivery, publications, committee meetings, computer upgrades and miscellaneous items.

8. CONTINGENCIES AND GUARANTEES

In the normal course of business, the Organization enters into agreements that meet the definition of a guarantee. The Organization's primary guarantees are as follows:

- (a) Indemnity has been provided to all directors and/or officers of the Organization for various items including, but not limited to, all costs to settle suits or actions due to their involvement with the Organization, subject to certain restrictions. The Organization has purchased directors' and officers' liability insurance to mitigate the cost of any potential future suits or actions. The term of the indemnification is not explicitly defined, but is limited to the period over which the indemnified party served as a trustee, director or officer of the Organization. The maximum amount of any potential future payment cannot be reasonably estimated.
- (b) In the normal course of business, the Organization has entered into agreements that include indemnities in favour of third parties, such as purchase and sale agreements, engagement letters with advisors and consultants, information technology agreements and service agreements. These indemnification agreements may require the Organization to compensate counterparties for losses incurred by the counterparties as a result of breaches in representation and regulations or as a result of litigation claims or statutory sanctions that may be suffered by the counterparty as a consequence of the transaction. The terms of these indemnities are not explicitly defined and the maximum amount of any potential reimbursement cannot be reasonably estimated.

The nature of these indemnification agreements prevents the Organization from making a reasonable estimate of the maximum exposure due to the difficulties in assessing the amount of liability that stems from the unpredictability of future events and the unlimited coverage offered to counterparties. Historically, the Organization has not made any significant payments under such or similar indemnification agreements and therefore no amount has been accrued in the financial statements with respect to these agreements.

9. CAPITAL MANAGEMENT

The Organization was incorporated under the *Business Corporations Act* of Ontario. Capital comprises LibraryCo's Share Capital and Fund Balances which are described separately in these notes. As at December 31, 2010 the Organization's share capital was \$200 (2009 — \$200) and Fund Balances totaled \$1,610,894 (2009 — \$1,704,024). The Organization's objectives when managing capital are to provide sufficient funding to carry out its functions duties and powers and to maintain financial strength. There are no externally imposed requirements.

10. COUNTY AND DISTRICT LAW LIBRARY GRANTS

These grants and capital and special needs grants represent the quarterly distribution of funds to the 48 County and District Law Libraries. The grants are distributed in accordance with policies and procedures established by the Organization's Board of Directors. The following individual law association grants were distributed by the Organization during 2010 and 2009:
